

**TURN  
RUSH HOUR  
INTO  
REVENUE**

**THE NEW  
18.5" FULL HD  
MOBILE KIOSK**

**Designed for QSR**

**FASTER ORDERS.  
HAPPIER GUESTS.  
BIGGER PROFITS.**

**65% OF CONSUMERS PREFER  
SELF-SERVICE OVER WAITING IN LINE.**

Small footprint, big impact: Our Mobile Kiosk is built for quick-service environments that demand speed, consistency, and results.

While your guests enjoy the fast, modern experience they expect, the kiosk works behind the scenes – driving more revenue, boosting efficiency, and taking the pressure off your team.

# TURN RUSH HOUR INTO REVENUE

With its 18.5" HD touchscreen, flexible mounting options, and compact footprint, the Mobile Kiosk fits perfectly in any quick-service layout – from tight counters to busy lobbies.

## INCREASE AVERAGE ORDER VALUE BY UP TO 30%

Kiosks increase average check sizes by up to 30%.  
With built-in upsell potential, secure payment options, and custom branding, the Mobile Kiosk doesn't just take orders – it elevates them.

## LET TECH TAKE THE LINE

Free up your team to focus on service, not transactions.  
The Mobile Kiosk handles ordering, payments, and more – so your staff can shine where it matters most.

# COMPACT. VERSATILE. QSR READY: THE 18.5" FULL HD MOBILE KIOSK

## **Built for QSR Speed & Flexibility**

Streamlines ordering, ticketing & check-ins with a compact design and versatile mounting options: on a wall, portable on a counter or installable on a pole.
